Environmental Policy

SkyParks Development Ltd is Malta International Airport plc' subsidiary entrusted with the development and management of the SkyParks Business Centre.

We are committed to sustainable construction and to minimise any adverse impact on the environment resulting from our activities.

We believe that all our employees, contractors and suppliers are responsible for the adherence of all applicable local legislation and other relevant requirements.

We are committed to:

- A greener and cleaner environment for all
- Prevention of pollution in all areas of our operation
- A programme of continual improvement in everything we do
- Keeping ourselves aware of and compliant with, all current and future legislation
- Reduce use of natural resources
- Minimise waste and maximise recycling/reuse

All employees will receive the appropriate levels of training and awareness to ensure that due emphasis is placed on the protection of the Environment and site care/cleanliness.

This Policy is communicated to our customers, suppliers and contractors, and to members of the general public whenever requested.
